Off road trails!!! I went to a Public place in Texas, it was awesome!	0	0
It's super important to have a mix of beginner to intermediate stuff and I feel like a lot of parks miss the mark sometimes. Small; kickers, rails, quarter pipes, fun boxes. But you also have to have a few more challenging things. Most skateboarders are beginners or at the intermediate range.	0	0
Mini ramp	0	0
Pump track	0	0
Grippy bowl	0	0
N/A anything would be great.	0	0
Smaller stairset, 3 or 4 steps. Euro Gap. Down rail that isn't extremely steep. Manual pad	0	0

Maple Grove and I like the variety and spacing	0	0
3rd lairs stairs, new hope skate parks big set .	0	0
Shoreview's skate park is great. Andover and Champlin have good ones as well.	0	0
Cheap skate	0	0
The Elliot park skatepark in Minneapolis has a great mix of transition and street, and incorporates famous Minneapolis skate spots into its design. The new riverside (unsure of name) skatepark in Saint Paul has a great mix of features and allows for long lines	0	0
New hope community park	0	0
Maple Grove, Burnsville, Elliot, St.Cloud New Hope, Shoreview	0	0
Third layer very wide range of stuff	0	0
Maple grove lot of rails at medium heights Saint Cloud has just about everything any skater could ever want	0	0
3rd lair. Love the bowl that they have. Very fun	0	0
The overpass and st cloud for the mix of all things to shred	0	0
I don't have a favorite. I just want to skate near home, in Anoka.	0	0
Maple Grove has really nice ledges and banks. Almost everything about St Cloud is perfect. Shoreview has great concrete	0	0

Elk river, big variety	0	0
3rd lair and elk river	0	0
Maple grove it has a good amount of area to kinda Just cruise around yet enough features to practice tricks	0	0
Old sand creek. Mini ramp. Maple grove plaza 5stair.	0	0
3rd lair i fw it it's huge	0	0
Shoreview has really nice flow like that as a skater a park with good flow are very enjoyable I also really like elliot not only does it has a plethora or different obstacles or objects	0	0
I like skateparks with more open space. Not a lot of features put into a small space. Shoreviews new skatepark is too much in too small of a space.	0	0
Burnsville, St. Cloud. They have a variety of street and transition	0	0
Na	0	0
Old Sand Creek skate park. Best park all around for it's time	0	0
Saint cloud	0	0
orono park - love the A frame and size of everything. not too big. maple grove plaza - one of the best parks in the state. shoreview - has a nice variety and flow of the park.	0	0
sand creek quarter to bank, maple grove quarter, 3rd layer the box	0	0
I live in Colorado but parents live down the street and grew up at rocket park (John ward)	0	0
sand creek, 3rd lair. sand creek has a nice half pipe and transfer (quarter to bank). 3rd lair has an amazing bowl with a nice hip.	0	0

3rd Lair, I love the variety of different ramps and obstacles they have. Ranging from a mini pipe for the beginners to a 9 foot deep vertical bowl for the advanced riders/skaters. Good mix of street and vert	0	0
Shoreview and how it's 100%concrete	0	0
Any park that has a mix of street and tranny. We need more tranny parks around us.	0	0
St. Cloud, MN cuz I've used it (for varied types of features)...Des Moines (cuz huge!) , and both Grant Park (cuz huge!) and Montrose Beach Skate Park (Wilson Skatepark) (great size/shape bowl and overall flow) in Chicago LOOK good!	0	0
Maple grove simply because it is concrete. Brooklyn Park because of the size of the ramps, and Andover because they have a nice mini ramp	0	0
Shore view euro, front park for the small stair set with practice rails, maple grove	0	0
Sand Creek Park's mini pump track and metal ramps	0	0
Burnsville nice mix of street and tranny	0	0
Coon Rapids - it is close and fast	0	0
New Hope, Maple Grove	0	0

Shoreview skatepark because of the smoothness and flow of the park. Familia hq because of the the way the rails are being set up with kicker ramps boosting you onto rails. And elk river because of the overall variety of features.	0	0
Elk river, very open and spacious and Andover park; nice mini ramp	0	0
Elk river and Saint cloud - good mix of transition, street, and flow. Shoreview and New Hope - Nice new plazas with unique features. Brooklyn Park and Champlin - all the basic features to learn tricks on	0	0
Shoreview because bigger bowl/path to skate around leading to pipes and seating areas around it with shade also Otsego because of the size and how spread out	0	0
Alpine Skatepark	0	0
Orno lake skatepark in elk river, because they have a good verity of street and transition	0	0
All da new ones	0	0
Shakopee- the flow of the park. Elk River is a lovely park. Elliot in downtown Minneapolis it has a hip/ bank and unique obstacles. lowas largest skatepark. Menomonie but it needs to be concrete. Chicagos Grant park.	0	0
Shoreview	0	0
Mound mn, Edina ymca , 3rd layer	0	0
Elk river skate plaza I live the launch ramp the pryimand gap the awesome street and manual pads.I Love brooklyn park skate park , the super butter coping and the small yet dope ramp setups. And I can NOT forget the brand new st paul skate plaza with its street inspired design and leading to a bowl!	0	0
Coon rapids sand creek loop track	0	0
Na	0	0
Andover, Plymouth, maple grove	0	0
Shoreview, I love the flow and rails	0	0
Elliot in Minneapolis has the best back and forth flow that can accomodate lots of skaters. Lauridsen in Des Moines because there's a little something for everyone (it's massive, obviously), but I like it's "sections"--maybe that can exist on a smaller scale. Elk River nicely seperates bowl/street	0	0
St. Louis Skatepark	0	0
maple grove: basic flat bar and ledge with ramps on each end, great hips. st. cloud: crisp edged steel coping for locked in grinds.	0	0

Responses	Upvotes	Downvotes
St. Cloud plaza, oakdale - they are both concrete	0	0
Make sure the bowl is 4-6'+ deep. Make sure you have a vert wall or section in the bowl. Not many parks have vert.	0	0
Maple Grove and Shoreview, street type vibes	0	0
Shore view is one of the best because of how well the transition to street ratio was perfect	0	0
Shokopee and rosemount because they are the only two with good bowls	0	0
Andover skate	0	0
Only been to St. Francis	0	0
Mellowness of the mini ramp to learn new tricks at sunshine park Andover MN, rails and stairs at Maple Grove Skate Plaza	0	0
SLS Certified Skateparks, always have a good mix of rails, ledges, stairs, and multiple lanes for hitting obstacles from all directions.	0	0
3rd lair	0	0
3rd layer. Elk river.	0	0
St. Cloud: perfect street section and a bowl for transition skaters. Northland skate park (champlin mn): they have a nice minny ramp and a chill down rail	0	0
Andover park, easy features. Also love any park with transition	0	0
Saint cloud, mpls	0	0
shoreview	0	0
I don't have favorites but elk river is nice	0	0
Elk river- lots of space, mix of transition and street, skate-able for beginners, and pros.	0	0
Sand creek	0	0
3rd lair	0	0
elk river, for their balanced layout and variety of features. Plymouth for the flow, lots of flatground space, and manny pad that you can hit from both sides. New Hope for their small quarter pipe, bi-level manny pad, and hip. Andover for their 3ft mini ramp	0	0
Elk River- great flow throughout the park, and St Cloud- good mix of street and transition for both inline and skateboarding	0	0
Shoreview, maple grove, st cloud. Available for all skill levels and very nice flowing parks	0	0
Andover/Ramsey have jersey barriers. The new Shakopee park is close to perfect!!	0	0

We NEED more skate parks in Anoka county for our kids to learn!!!! So we don't have to drive so far	0	0
i bmx and want to Advance my hobby. i have a lot of friend that ride. also want to learn new stuff that we can't do at the parks we go to. hope it is the best in the area. good luck:)	0	0
Make it nice and flowy don't make it flow to one spot where everyone stands. Make a couple Bench areas so people aren't sitting on ramps or in the way of features! Make it kick ass so it brings the great community of skating and anoka come together!	0	0
it would be nice to have a everything is welcome park around here besides small ones. i'm a pro scooter rider for lucky scooters and would love to help with the design of the park further.	0	0
I grew up in the neighborhood and skated rocket every single day as a kid. I still live in the neighborhood and see the next generation of kids skating around the neighborhood and would like nothing more than to see the next generation grow up with a good safe place to learn and grow in the sport.	0	0
Please just add onto the existing park/don't demo it. Some of us don't want a boring ass flat plaza for teenage dipshits to vape and practice kickflips...although you should probably have flat area out of everyone's flow for those teens to lurk like they always do....	0	0

I'm a local parent of a high school skater and an ex skater myself and I am so excited for this to come to fruition. Skateboarding (biking, scooting, etc) are absolutely viable activities for kids and with the proper facilities, they'll have a safe and inspiring environment to express themselves.	0	0

Is there anyway to be more involved in the design process? I have a background in architecture, work for a municipality, and have been skateboarding for over 15 years. I would like the opportunity to be more involved/have some more input in the design of the project if at all possible. Thanks	0	0
When will the skatepark start being built?	0	0
Skater lives matter	0	0
Being unique and having different features then other parks would be highly beneficial. This skatepark would also help Pinewskis and the skatepark is a staple for Anoka and surrounding cities.	0	0
Please make this happen I grew up riding the skate park that is decaying there right a cement park would and can look so much better not to mention last longer	0	0
The new st cloud plaza is NOT to be left out and un acquainted for the entire design from vert to the radical small medium gaps , launches and grinds along with the Gnarly bowl!	0	0

It awesome that you are doing this	0	0
park needs flow, very important. enough obstacles that it's interesting and variety of things to do but not so much that it gets impossible to skate during busy times. NO aluminum coping, it doesn't lock in well	0	0
How can Anoka compete with the current new skate parks in the other citys? You need a feature that will be the keystone. A vert section in the bowl will do just that. By the time this gets to fruition and built other citys will have newer skate parks too. Future proof this park for all of us!	0	0

Please make a bowl with only pool coping because it is the most true way of riding one to replicate how pool skating was the grandfather of all bowls ever made! Also it would be the only one in Minnesota to have an all concrete coping pool and would attract tons of skaters from all around the state	0	0

Have the whole park scaled up closer to Shore View skateparks. St. Louis skatepark would be a lot of peoples favorite had it been scaled up a bit, it's too small, everything's close together and low in height. Too compact.	0	0
